We at the Cupping Clinic are a family of experienced health professionals, masseurs, acupuncturists, hijama experts and cupping therapists who are passionate about alternative medicine, natural health therapies and holistic healing techniques such as cupping, massage therapy and hijama treatments. Though we specialise in all types of cupping and hijama therapy, we also offer a diverse range of holistic wellness treatments such as acupuncture sessions and alternative fertility boosting treatments.

Our aim at the Cupping Clinic is to make a lasting contribution in the revival of holistic healing practices by making cupping, hijama and massage therapy accessible, safe and affordable for everyone in the UK.
